"Bring your s'mores, pull up a log, and light the campfire, its time for some great ghost stories. But unlike made up tales of terror and mayhem you may have heard as a kid, these are accounts told by real people who have crossed between the worlds to discover that we are indeed much more than our physical bodies. Katie Letcher Lyle is the consummate guide and chronicler as she takes us on adventures in which the dead literally come alive to inform, teach and enlighten us. "Friends in High Places" will change your perspective on both life and life beyond."
