

Human Resource Management: A Practical Approach, 2000, 528 pages, Michael Harris, 003025972X, 9780030259722, Dryden Press, 2000

The general management approach in this text emphasizes how the human resource function helps an organization gain competitive advantage. Rather than focusing on detailed theoretical coverage geared to the Human Resource Professional, this book focuses each chapter on developing a clear understanding of the various HR functions and on the working relationship between the HR department and other organizational departments.
