

The Weather, 2012, Deborah Willis, 0143187953, 9780143187950, Penguin Canada, 2012

As a young girl, Tabitha's father mysteriously walks out the front door, with nothing but his coat and umbrella, never to return. But as we learn in *Vanishing* nothing disappears completely from our lives. Tabitha vanishes from her own life, and we are left wondering if we can ever really know a person, or ourselves. With elegance and craft, Deborah Willis's stories linger, as her characters vanish between the pages.
